REFERENCE: AMENDED JULY QUARTERLY REPORT (04/01/2014-06/30/2014)

Dear Ms. Amrhein,

This statement is in response to the Commission's letter dated April 26, 2015. The Commission requested additional information regarding two items.

First, regarding the debt owed to Mock & Associates disclosed on Schedule D, the Committee will amend its April Quarterly report to show the debt as incurred during the April Quarterly reporting period. Due to a data upload error, the debt was in the software but never appeared on the report.

Second, the Commission requested clarification regarding an increase in debts on Line 10 of the Summary Page. The Committee has previously explained the increase on its Form 99 filed on March 17, 2015. After the October Quarterly report was due, the Committee noticed that debt was mistakenly left off the report due to confusion created by the Committee's difficult transition away from CISCO as the Committee's general political/strategy consultant. Vendors had held their invoices due to the uncertainty. As soon as the Committee requested that all vendors re-submit their invoices and fully reviewed the materials, the Committee amended their report to show debt during this period.

This should answer the Commission's inquiry. Please feel free to contact us if you have any further questions.

Sincerely,
 Bradley T. Crate
 Treasurer
